1. Open & Introductions

2. Approval of minutes for October 2018

a. Approved

3. New business

Jake Palmer, Manager of the LSU Emergency Operations Center, and his team gave a presentation about classroom safety

[Summary of the presentation and questions from the floor]

- Active shooter location: 20.8% Education setting
- Location of active shooter (or any other emergency situation) can be notified through social media, official emergency notification (emergency LSU text message/email), observation, or bystander/other observer warning
 - LSU shield app has some of these features
- Students with some pre-indicators can be reported to LSU C.A.R.E team
- It's not currently mandatory for LSU students to receive training; but can be done upon request

4. Adjourn **Next Meeting: Spring 2019**
