### RESEARCH AND PROFESSIONAL EXPERIENCE

---

#### Graduate Research and Teaching Assistant

Louisiana State University, Baton Rouge, LA Aug 2023 – Present

- Assisted with planning and executing research techniques.
- Conducted data collection, gathering from secondary sources like USDA.
- Analyzed statistical data using STATA, and Microsoft Excel.
- Mentored and assisted the undergraduate student as a teaching assistant.

#### Graduate Research Assistant

Kansas State University, Manhattan, KS Aug 2021 – May 2023

- Planned, modified, and executed research techniques, procedures, and tests.
- Conducted data collection, gathering from secondary sources like BLS, FRED, USDA, and OECD.
- Analyzed statistical data using STATA, and Microsoft Excel and dissemination using a large variety of data sources and computer software tools.
- Mentored and assisted the undergraduate student as a teaching assistant.

#### Internal Auditor

KPMG, Nigeria Nov 2020 – Aug 2021

- Conducted internal audits to assess risk factors, identify high-risk areas, and develop tailored audit plans, resulting in the identification of cost-saving opportunities and program improvements.
- Performed financial and operational audits of Banks operations, including control testing, sampling, and data extraction, ensuring financial accuracy and conformity with company policies and procedures, while upholding the firm's code of ethics and business conduct.
- Tested controls over operations processes to ensure effectiveness and efficiency, reporting on control gaps and weaknesses, obtaining corrective action plans, and following up to ensure compliance with the CBN code and financial policy.
- Produced high-quality audit documentation, tracking client deliverables status, and uploading to the corporate global network to ensure timely completion of audit reports.

#### Accountant

KPMG, Nigeria Oct 2019 – Nov 2020

- Prepared annual financial reports and suggested ways of improving performance while overseeing the duties of the accounting team.
- Implemented accounting systems and processes and reconcile income statements, Accounts Payable, and prepared monthly Financial Statements and reports to be used for tax filing, cash flowcharts, and forecasts.

- Reviewed and analyzed account balances and transactions to identify discrepancies and potential fraud.
- Conducted digital data capture and technical review for a client in the education industry. The project involved the review of bank transactions, vendor invoices, sales invoices, and financial statement preparation (statement of financial position, statement of profit or loss, and other comprehensive income and statement of cash flows) for 10 years for the entity.

**Quality Assurance SIWES Intern**

July 07, 2017- Dec 2017

UAC Foods Limited, Nigeria

- Conducted daily inspections of all food products, and food preparation areas to ensure compliance with food safety regulations and company standards.
- Worked with Kitchen staff and management to develop and implement new quality assurance testing to improve overall operations and prevent future defects or non-conformances.
- Assisted and participated in the development and implementation of training programs in the QA department to ensure that all employees were adequately trained in food safety and quality control procedures.

**Sales Officer (Intern)**

TS Omotola Multiglobal Concept Ikorodu, Lagos

Aug 2012 – Dec 2013
